Mr. Penguin’s Favorite Fish Finger Sandwich

Ingredients

• 4 fish fingers
• butter
• 2 slices of bread, or 1 roll
• ketchup

1. Remove about 4 fish fingers from the freezer and bake them on each side according to the package directions until crispy and golden.

2. While that’s happening, butter 2 slices of nice, soft bread or a roll, smearing one half generously with ketchup.

3. When the fish fingers are done, remove them from the oven and place them on the bread smeared with ketchup.

4. Add any other ingredients you’d like on your sandwich: lettuce, tomato, a squeeze of lemon, or tartar sauce.

5. Put the other slice of bread on top and, using a little force, push down on your sandwich to make sure the fish fingers stay in place. Enjoy!
