

Cathryn Sill, a former elementary school teacher, is the author of the acclaimed ABOUT... series and the ABOUT HABITATS series. With her husband John and brother-in-law Ben Sill, she coauthored three popular bird-guide parodies, including *A FIELD GUIDE TO LITTLE-KNOWN AND SELDOM-SEEN BIRDS OF NORTH AMERICA*.

John Sill is a prize-winning and widely published wildlife artist who illustrated both of the ABOUT... series and illustrated and coauthored the *FIELD GUIDES*. A native of North Carolina, he holds a B.S. in Wildlife Biology from North Carolina State University. The Sills live in Franklin, North Carolina.

About Penguins

ABOUT PENGUINS is a thoughtful yet entertaining first glimpse into the world of nature for young children. In this easy-to-read, informative follow-up to the other critically acclaimed books in her ABOUT... series, author and teacher Cathryn Sill explains what penguins are, how they live, and what they do.

With the help of beautifully detailed paintings from noted wildlife illustrator John Sill, this book explains the basic characteristics that all penguins share, while offering a closer look into the eighteen different kinds of penguins—from the well-known Emperor Penguins of Antarctica to the less familiar Yellow-eyed Penguins of coastal New Zealand. An afterword provides further detail to inspire young readers to learn more.

ABOUT PENGUINS will accurately answer the first questions of young naturalists and charm readers with the wonder and diversity of these fascinating animals.
