On her way to Grandma's house, Little Red meets a wolf. Which might scare some little girls. But not this little girl. She knows just what the wolf is up to, and she's not going to let him get away with it.

In this updated fairy tale with a mischievous twist, talented newcomer Bethan Woollvin uses sly humor, striking visuals, and dark irreverence to turn a familiar tale on its head.

Chris, Jim, and my  
whole family,  
I couldn't have done  
it without you.

One day, Little Red's mother called to her.

"Please take some cake to your Grandma," she said.

"She's not feeling too well."

So Little Red set off on her journey through the forest to Grandma's house.
