BEFORE YOU READ
As a group, use the following pre-reading discussion questions to spark interest in the book.

• Define the word “dangerous.” Give examples of dangerous things. Describe how the word dangerous makes you feel.
• Observe the illustration featured on the front cover. Describe the woman featured there. Identify the objects she is holding in her hands. Study her expression. Predict what she is thinking and/or feeling.
• Describe the scene depicted in the background. Explain who the people might be and what is happening to them.
• The title of this book is Dangerous Jane. Study the illustration to discover elements of danger. Which aspect of the illustration seems more “dangerous” to you—the woman holding letters or the battlefield behind her? Explain your answer.

• Predict what this story, Dangerous Jane, is going to be about.

AFTER YOU READ
Use the following images and quotes from the book as post-reading discussion questions.

“She felt like the ugly duckling in her storybook: different, unwanted, hopeless.”

• Describe how Jane’s illness and deformities caused her to feel “different” and “unwanted.”
• To have “hope” means to believe that good things will happen. Discuss how her mother’s death caused Jane to feel hopeless and deeply sad.
• Explore ways that Jane’s father empowered his daughter through love of books, travel, and one another.
• Consider how the troubles Jane endured as a very young child helped to prepare her to become a compassionate humanitarian as an adult.

“She felt that familiar ache in her heart. Poverty seemed to be everywhere. How could she help?”

• The word “familiar” means close, intimate, and well-known. Explain why the “ache in her heart” was a familiar feeling.
• The word “poverty” means needy, poorness, and hardship. Would it be fair to say that people who live in poverty are unwanted and hopeless? Explain your answer.
• Discuss how the experiences Jane had in London also helped to prepare her for her life’s work.
“Neighbors called her ‘Miss Kind Heart.’ Newspapers called her ‘Saint Jane.’”

• An “immigrant” is a person from a foreign land. Determine ways that immigrants might feel different or unwanted.
• Oftentimes, immigrants are needy and have great trouble finding shelter and food. Identify ways that Jane’s Hull House met the needs of immigrants.
• A “saint” is someone who is good, righteous, and kind. How is helping immigrants find friendship, dignity, and hope considered a “saintly” thing to do?

“She shared her peace resolutions with the British prime minister, the French foreign minister, the Austrian prime minister, and even the Pope.”

• “Peace” means friendly, untroubled, and calm. A “resolution” is a plan to achieve something. Consider the importance of Jane’s leading the International Congress of Women in establishing plans for worldwide peace.
• Determine why newspapers called the twenty peace-making resolutions devised by Jane and fifteen hundred women from other twelve countries “silly.”
• Peace benefits all people, even the unwanted and those considered to be warring enemies. The pursuit of peace involves establishing respectful relations with all people regardless of their origin. Explain why some people think that bringing nations together in pursuit of peace is a dangerous thing to do.

“Then the FBI named Jane ‘the Most Dangerous Woman in America’! What would Jane do now?”

• Identify a few of the terrible things Jane did to deserve being called “dangerous.”
• A “traitor” is someone who is disloyal to their country, and even considered to be a spy. Determine how Jane’s efforts to establish worldwide peace were perceived as being an act of betrayal of the United States.
• Discuss Jane’s response to being unfairly judged as a traitor. Do you think her decision to continue to care for others was an easy choice to make? Why or why not?

“Dangerous Jane was given a new name—Nobel Laureate. Jane Addams became the first American woman to win the Nobel Peace Prize.”

• Explore the reasons why Jane Addams earned high honors for a lifetime practice of caring for others. In your opinion, what meant more to Jane, helping immigrants at Hull House or winning the Nobel Peace Prize? How so?
• The word “dignity” means greatness, honor, and excellence. Examine moments in Jane’s life in which she displayed dignity, even when she was wrongly accused of being dangerous.
• Jane Addams dedicated her life to the establishment of peace and the well-being of all. She inspired people all over the world to care for the unwanted and the hopeless. How about you? Has Jane Addams’s story inspired you to make a difference in the lives of others in some way? How so?

ACTIVITY SHEET 2 – SIMILE POETRY

At a very young age, Jane Addams experienced the emptiness and loss of her mother’s passing. Though she was too young to express her emotions, the sadness she felt consumed her and eventually served as foundation for a life filled with compassion and empathy for others. Jane’s ability to experience the suffering of the less fortunate caused her to become a humanitarian who changed the lives of countless individuals—worldwide! In this activity, students will write a form poem in which they will explore a range of emotions in a sensorial manner. Instruct students to choose a term from the list below. Have them use the Simile Poem template found on the following page to creatively examine how their chosen term feels, tastes, sounds, appears, and smells. Students are encouraged to illustrate their work in the space provided in the upper portion of the template. Like young Jane Addams, students will come to understand the depths of an emotional experience and, perhaps, become inspired to make a difference in the world in a similar way.

ACTIVITY SHEET 3 – HISTORICAL TIMELINE

Jane Addams’s compassion for the impoverished changed history. Though many questioned that her intent to care for individuals deemed as “enemies,” she remained dedicated to caring for the less fortunate and to establishing peace.

Examine the life and times of Jane Addams by creating a Historical Timeline. Use scissors, tape, and the Timeline Strips to construct the Historical Timeline. Match the dated Timeline Tabs near the year printed in the text. Once all tabs have been sequentially arranged by dates on either side of the Timeline Strip, consider the placement of each tab as it relates to history.

Discover the consequences of events as they occurred in Jane’s life. Determine how experiences of compassion, kindness, suffering, determination, and hope affected Jane’s determination to help others. After studying and discussing connections presented in the Historical Timeline, write an essay summarizing events of Jane Addams’s life. Identify ways that she influenced others and, possibly, inspired you to do the same.
