Get To Know CHARLIE BUMPERS

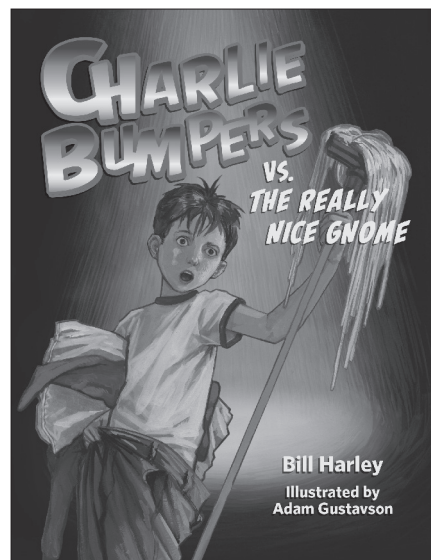

Follow the adventures and hijinks of everyone's favorite fourth grader!

Charlie Bumpers vs. the Teacher of the Year

"Charlie is personable and well-rounded as a Ramona Quimby-esque protagonist who faces a series of kid-familiar challenges in trying his best to do the right thing...readers will welcome him as a bumbling but generous addition to the ranks of novels for novices."

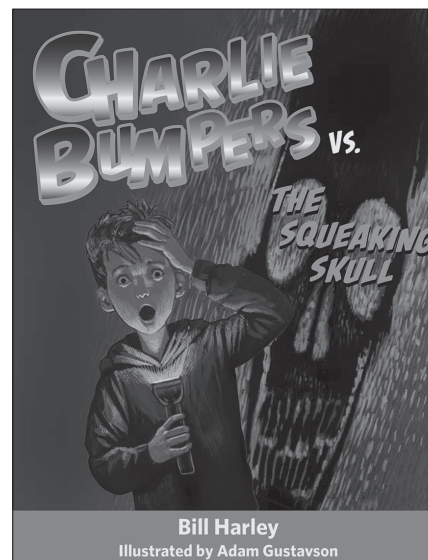

—The Bulletin of the Center for Children's Books

Charlie Bumpers vs. the Really Nice Gnome

"Strong characters, a fast-moving plot, and amusing black-and-white spot illustrations continue the fun in this second installment."

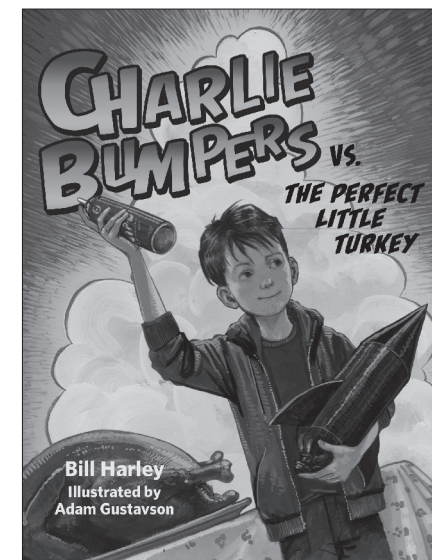

—The Horn Book Guide

Charlie Bumpers vs. the Squeaking Skull

"Harley develops all of Charlie's concerns with a nice sense of balance and levity, and Gustavson's uncommonly good spot illustrations are frequent, adding notes of creepiness or humor at all the right places."

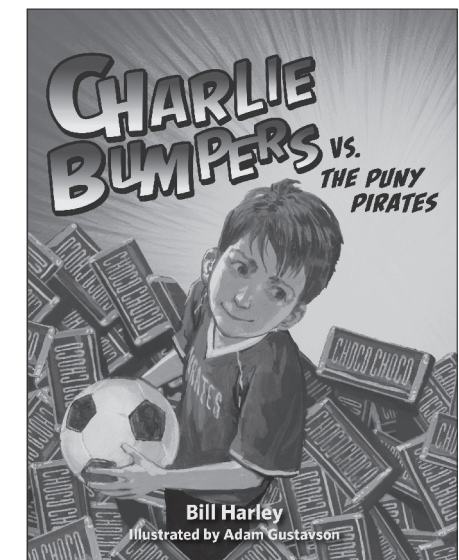

—Booklist

Charlie Bumpers vs. the Perfect Little Turkey

"Harley has as good a handle on tumultuous family relationships as he does on school-day mishaps"

—Publishers Weekly

Charlie Bumpers vs. the Puny Pirates

"Master storyteller Harley scores again with fourth-grader Charlie Bumpers"

—Kirkus Reviews
