

Duck & Penguin DO NOT Like Sleepovers

Julia Woolf

This is Betty and Maud. They are best friends and they love spending time together. Especially with their favorite toys, Duck and Penguin...

who aren't so thrilled.

Betty and Maud are excited to have a sleepover.
“But not just any sleepover!” squeals Betty.

“We’re going to spend the night together...

in a TENT!”

“A teeny-weeny tiny tent!” shrieks Maud.

“We’ll be nice and cozy,” says Betty.
“Right next to each other all...night...long!”

Duck and Penguin aren’t so sure.

Betty and Maud
decide to set up
their tent in the
garden.

“Pop-up tents are the best,” says Betty.

“Just toss them
in the air,” says
Maud, “and—”

“Oh look!” says Betty. “Penguin is flying with the tent!”
“Such a clever penguin,” says Maud.
